

CURRICULUM VITAE**1. PERSONAL:**

Name **Mohd. Anayet Ullah- BSc QS (UoR- UK), Dip Civil E, MIDEB, MQSi(UK)**
 Nationality: Bangladeshi
 Date of Birth: Nov. 10th, 1972

2. ACADEMIC QUALIFICATIONS:

Academic Degrees	Date Conferred	Name and location of Institutions
B.Sc. in Quantity Surveying (RICS,CIOB)	July 2019	University of Reading - UK
Dip in Civil Engineering (3 ^{1/4} Years Course)	Aug 1993	Bangladesh Technical - Education Board, Dhaka
Arabic Lang. Course (5 Levels Cert. Course)	2001	Islam Pres. Committee and KU
Primavera-P6, Claim n Dispute Mgmt, MS Proj, PMP	2019/21	The CCM, UK and PMI
Lingual Ability: English (fluent), Arabic (excellent), Bengali (native) Hindi n Urdu (fair); Filipino nd Malayalam (broken)		

3. PROFESSIONAL REGISTRATION/AFFILIATIONS:

Approved Chief Quantity Surveyor by Public Autho for Roads n Trasp: PART Kuwait.
 Approved *PMC Sr. Quantity Surveyor* by HAHC, Dhaman Hospital Autho: Kuwait.
 Approved Sr. Quantity Surveyor by Ministry of Public Works; MPW, Kuwait.
 Approved Quantity Surveyor by Ministry of Electricity n Water MEW Kuwait.
 Approved Quantity Surveyor by Ministry of Housing; PAHW, Kuwait.

Profe. Membership **MQSi - 4894** The **QS International - UK**

Profe. Membership **MIDEB(Civil) -18864-** IDEB, Bangladesh

Striving for Chartd QS n Arbitration, AIQS, CABB, CIARB, RICS - Aus, UK & N. America

4. EXPERTISE AREA :

- **Airport Project** (Extension and Renovation), Chittagong, Bangladesh
- **Healthcare Infrastructure(300x2Bed Hosp+Staff Accom+CarPark(M/L),Dhaman, Kuwait**
- **High Rise Building:** Commercial n Residential (Awqaf Ministry n Private), Kuwait
- **Mega Power Station(MEW/C/1050-94/95)(800x3=2400 MW), KWT**
- **Multi-Purpose Bridge (Causey)** (5 KM, over the Mighty river Jamuna), Bangladesh
- **Roads and Highways**, Bridges, Fly-overs, and Underpasses(RA/210,/211,/256); Kuwait,
- **Steel Structures**, Portal Bridge and Building, Kuwait
- **Water Distribution Complex WDC II(MEW/C/4316/2011-2012)** (1.5 mInL p/day), Kuwait

5. SKILLS :

Quantity Surveying (Archi, Civil n MEP), **Cad**, Contracts Law n Tort, **Construction Law** n Contract Administration, **Construction Planning, Tendering n Financing**, Civil, Architectural **Procurement-** familiar with, **CSI**, NRM, JCT-SBC 16, **FIDIC**, NEC3, **Primavera- P6/MS Proj. CESMM4**, Cost X. **Well conversant** of MPW, MEW General n Particular Specifications & **Legal Conditions and Particular Conditions of Contract(s).**

6. PROFESSIONAL HISTORY:

Dec 2017 to date	Chief QS	Parsons Brinckerhoff(WSP) jv Gulf Consult
Oct 2016 - Nov 2017	Sr. QS	HILL International Ltd jv CORE Consult Proj Mgmt
Sep. 2008 - Sep. 2016	Sr. QS/QS	NJS(Jap)/OriConGlob(Jap) jv Dowailah Engg Consultant
Aug. 2002 - Aug 2008	QS/Cost Controller	AKTOR jv Copri Construction Enterprise
Aug. 1995 - July 2002	QS Engr	Hyundai Engineer. & Const. Co. Ltd/HHI(B'Desh & Kwt)
Mar. 1993 - July 1995	QS / Cost Controller	Modern Engineers and Architects Ltd, Bangladesh

7. ORDAINED RESPONSIBILITIES:

- To liaise closely with the Resident Engineer and all other Section Engineers on all Contractual matters with respect to the MPW Specifications, Conditions of Contract & Legal Conditions so as to obtain contractually maximum **earned value** for the Client.
- To liaise closely with the Proj. Executive and Contracts manager with all other design team and concerned to follow-up the various day to day requirements that is needed to incorporate including FGI Standard and POMI for payment terms to obtain contractually optimal **earned value** for the Client alongside the MOH, KFD, Etc.
- To liaise closely with the Project Manager and all other Team Engineers on all Contractual matters with respect to the MPW Specifications, Conditions of Contract & Legal Conditions so as to obtain maximum **commercial benefit** is protected for the Company.
- To ensure that contemporary records are produced and maintained which provides sufficient data to support all calculations, over measure, under measure, variations and claims.
- Change in Contracts (**VOs**), Negotiation with Contractor and makes appropriate recommendations to the Client for final discretion with due deliberation of EPS, WBS in line with the approved **CPM** of the Project.
- Assisting Planning Manager for revised Scheduling rev-2 CPM, EPS, WBS for Maintain contract and maintaining database files on contracts and projects.
- Maintain minutes of meetings for all subcontractor meetings throughout the duration of the subcontract.
- Support all information relating to the contract/project to the Legal Advisor (HQ Team) in the event of technical-administrative or arbitration disputes.
- Represents Contractor for all contractual meetings with Client and Subcontractors.
- Reviewing Subcontractor Agreements/s with the Main contractor's scope of Work, specifications & drawings and making amendments as required before finalization. Administering subcontract orders from award to Final Account stages, including monitoring of subcontract payments.
- Actively manage subcontracts with attention to the prevention of or defence against potential claims by subcontractors, and to prepare documentation to substantiate any counter-claims that may be necessary.
- Actively administer the payments, insurances and bonds for subcontractors and to ensure formal sign off of final accounts on the approved format.
- At the completion of each subcontract, to present a report to the Home Office regarding contract conditions to be modified/changed in the event of similar situations in the future.
- To undertake re-measurement and prepare, audit & submit agreed monthly valuations, variations if any and final accounts.

8. RELEVANCE OF POST:

Mohammed Anayet equipped with **BSc in Quantity Surveying prof. education from the University of Reading- UK** and **Associate (Dip) in Civil Engineering** (with RCC design, Theory of Structure, Hydraulics, Engineering Materials, Estimating, Geodetic etc.) with 27 years of engrained **Quantity Surveying Professional** experience in both **Pre and Post Contracts**, of which 20 years have been devoted to international projects in Kuwait and Bangladesh as well. Two

of them are **Land Mark Project** namely *SUBIYA POWER STATION*(2400 MW, Kuwait) and *JAMUNA Multi-Purpose Bridge Project*(then **world's 11th longest**)- Bangladesh. I have **administered** variety of Civil engineering and Infrastructure **Mega projects**, with specialization on **High-Rise Buildings, 300x2 bedded Hospitals, Multi-Purpose Bridge, Power Station, Water Distribution Complex, Roads and Highways with Underpasses, Flyovers, and Bridges** at grade, **Pump Houses** in various construction projects as well as Road Maintenance project Etc.

Mohammed Anayet overseeing construction of major **Multi-Purpose Bridge, High Rise Buildings, Underpasses, Flyovers, Mega Power Station** current engaged as **Chief QS** in *KD 96 million, highway project, RA-256, and most recent in KD 340 mlns.of 300x2 Bedded Complete Healthcare infrastructure Design, Build, Equip and Operational Maintenance for the new HAHC Hospitals at Ahmadi, Farwaniya and Jahra- Kuwait*. Recent past is as **Sr. Quantity Surveyor** for the **KD 77.5 Million** of Mina Abdullah WDC II Construction Maintenance of **Water Distribution Complex Scheme** Works which has the *Capacity of about 1.5 MLD* consist of **Electro-Mechanical, Main Pump Station**(11250 M²) two basement levels n two elevated floors, Blending Bldg, Chlorination Bldg, Main Generator with modern SCADA(Supervision Control And Data Acquisition) systems.

9. **SNAPSHOT of EXPERIENCES** engrained in various projects in Kuwait and Bangladesh:

- A **Billion plus US\$ Jamuna Multi-Purpose Bridge Project**- for JMBA- Bangladesh. The Project was **then 11th longest** in the world. It was 5.62 KM Pre-Stress Segmental Concrete(**Design-Build/Remeasured**) Bangladesh.
- **KD 275 Million** Sabiya 8 X 3000 MW Steam Turbine Power Strn. of Civil, Structural, Architectural and Miscellaneous Works, Sabiya Power Station Project (**MEW/C/1050-94/95**) (**Traditional**)
- **KD 340 Million**(300x2 Bedded) HAHC **Dhaman Hospitals** Design, Build, Equip and Operational Maintenance for the new HAHC Hospitals at Ahmadi and Jahra; **Design-Build/Lump-Sum**
- **KD 109 Million** Construction, Completion and Maintenance of Roads, Underpass, Elevated Bridges to the Main Roads Access to Jbr Ahmed City. RA-211/210/264(**Traditional**)
- **KD 96 Million** Construction, Completion and Maintenance of Roads, Underpasses, Elevated Bridges to the Main Roads in the Vicinity to Jaber Ahmed Sabah Hospital. RA-256(**Traditional**) **CSI Format**.(**Traditional/Remeasured**)
- **KD 72.5 Million** of Mina Abdullah WDC II(**MEW/C/4316/2011-2012**)North **Water Distribution Complex** Works which has the Capacity of about 1.5 MLD consist of Main Pump Station was(11250 M²) plus Blending, Chlorination, Brackish water, Main Generator Building. (**Traditional/Remeasured**)
- **KD 29 Million** Construction, Completion and Maintenance of Roads, Storm water, Sanitary, and Other Services in **First Ring Road Sheraton Round about Project**. RA-106(**Traditional**)
- **KD 24 Million** Construction, Completion and Maintenance of Roads, Storm water, Sanitary, and Other Services, 2 **Underpasses, 5 Bridges** of Fifth Ring Road namely *Hawally Jawajat Round about in Salmiya*. RA-111(**Traditional/Remeasured**)
- **KD 12.5 Million** Construction, Completion and Maintenance of Roads, Storm water, Sanitary, and Other Services in Sabah Al-Salem area RA-130(**Infrastructure**); American Hospital
- **KD 18 Million** Construction, Completion of Housing Infrastructure of Roads, Storm water, Sanitary, and Other Services of West Jleeb Al Shoyoukh Presently Dahia Abdullah Al-Mubarak area. (**Traditional/Remeasured**)
- **KD 16.5 Million** of **Seven High-Rise Residential Building** namely **Awqaf Towers (22 storey)** in Hawally and Salmiya under **Ministry of Awqaf**(**Traditional**)
- **KD 4.5 Million** Construction, Completion and Maintenance of Roads, Storm water, Sanitary, and Other Services, in Qairawan.- PAHW 1096/ / **Housing (Remeasured)**
- **KD 6.5 Million** Construction and Maintenance of Water Distribution at **B2 Contract No -Six Water Reservoirs 'n 3 floors Pump Station**(In house contract) **Lump- sum**

Mohammaed Anayet is fully familiar with all administration of works, and has **sound business and legal understanding** by **academic knowledge** of **Civil Engineering** and **Quantity Surveying** and hands on enriched experience as **Quantity Surveyor & Contracts Administrator/Commercial Manager** in various **Mega-Projects in South-East Asia n' Middle-East**. His understanding of contractual matters is evidenced by his work on the above projects.
