Isa Town, Bahrain | Phone: +973 32221256 | Email: Shadimaldahoon@gmail.com

CAREER STATEMENT

A believer in the power of Architecture to impact positively the societies and the life style of people. As an Architect, I find Architecture is more than elements or buildings but identity, and this is the foundation to reach an optimum design. A highly ambitious Architect, passionate about building design and construction, who is hoping to leave a fingerprint in architecture for the benefit of people, users and future generations.

WORK EXPERIENCE & INTERSHIP

Saleh Almuhana for Trading & Contracting

July 2019 – Present

Architectural Engineer
