## JOB DESCRIPTION

---

### 60 feet high RajaGopuram ( Antique Entrance Door) at Sree Subhananda Ashramam, Kerala.

Worked as Site Incharge for Millenia Builders and Developers in a ongoing 60 feet complete Raw Granite antique entrance ( RajaGopuram) at Sree Subhananda Ashramam, Cherukole, Mavelikara, Kerala.

It is the first ever Rajagopuram in the state which is being constructed completely in granite stones. Cutting, shaping, designing of stones at various shapes and fixing onsite according to the Architecture plan. This Tower has a strong RCC raft bed -pile foundation at 18 meters deep. Moreover I have handled works such as site management, plan execution, work scheduling, stone loading and unloading details and billing, labour payments, H. R. Management etc.
